The Martlet

FROM THE HEADTEACHER'S DESK....

Well it has certainly been an exciting and memorable school year. My first as Head of School and what a busy and enjoyable year it was! We started the year with our best ever GCSE results published, and the academic achievements of our students continued to shine throughout the year. Our students represented the school admirably in the Maths Olympiad with several winners and the second highest number of participants. We forged ahead with integrating technology throughout the curriculum and students enjoyed learning in our technology rich environment, complete with our new state of the art network. One of the academic highlights of the Upper Primary Department this year was the Science fair which proved a wonderful showcase of our very talented students' scientific skills. Not to be outdone, our Year 8 students put on a brilliant History Fair, with the winning project of Zahn Richardson making the front page of the Royal Gazette with his case study on Nelson Mandela.

Our theme for the year was 'Lend a Hand', in keeping with one of the pillars of our school mission statement 'service to others'. Saltus students and staff certainly lived up to that theme this year, participating in several fundraising activities. Who could forget the phenomenal effort that went into St Baldrick's in March, when the Saltus family pulled together to raise over $200,000 for childhood cancer? We also raised over $10,000 for the Philippines' disaster relief fund. Our youngest students in Foundation Year sponsored a child in Peru through World Vision and our Year 9 students learned about the plight of children in South Sudan when Senator Jeff Baron came to share with them his experiences and plans to coordinate a fundraising effort in the future. Secondary students spent time helping out at an orphanage and an animal shelter in Costa Rica. Closer to home, we supported the Bermuda Hospital's Charitable Trust, looked after our adopted beach at John Smith's Bay, and built bird boxes for the Bermuda Audobon Society in the 'Dollars for Hours' project.

Our Athletics department had an excellent year with numerous student and team successes in the full range of sports and events entered. At the annual Denton Hurdle Awards several Saltus students were nominated and we were thrilled with the honour awarded to Marcus Smith, Deputy Head Boy, who was named Denton Hurdle Athlete of the Year. Our Senior student athletes were all recognized and celebrated at the second annual Athletic Banquet which was a very elegant evening, second only to the graduating class' prom!

Our Performing Arts department had a phenomenal year with the sell-out success of 'Chicago'. The gala dinner performance was one to rival a Broadway show and an experience that I am sure will long be remembered by all involved. Middle Division students enthralled the audience with their production of 'Charlie and the Chocolate Factory', directed and produced by Head Boy William Finnerty and Deputy Head Girl Eryn Beach. Shakespeare Speaks was an incredible showcase of our Year 7 students' theatrical talents.

Our students showcased their musical abilities in a number of events throughout the year, most notably the Spring concert and the Ruth Henderson Memorial Concert, held once again in Victoria Park with crowds of delighted parents, students and friends of Saltus. East Broadway was transformed into a winter wonderland just before Christmas when students played carols for delighted commuters on their way into the city.

The 2014 Outstanding Teen Awards Ceremony saw two Saltus students receiving awards for Perseverance (Kayla Simmons) and Progress (Bruce Sandham); both incredibly well deserved awards. We also won two awards at the Healthy Schools awards; one in recognition of Health Services, and another Gold Award with 100% compliance in all categories. We had another fantastic year in the Duke of Edinburgh Award scheme, with no fewer than 61 Year 10 students achieving Bronze award and an impressive 34 students achieving Silver award in Year 11.

We competed in the International Independent Schools Public Speaking Competition in Toronto. Not only did three of our students qualify for the Finals; but one of our teams won the Top Overseas School Award. Ciara Burrows also won the Top Overseas Student award as well as the Phil Hansen: Spirit of the Competition award.

It was an exciting year to start my tenure as Saltus 10th Head of School. I am very grateful to the students, their parents, the faculty and staff for their support and their dedication to our school community. The following pages bear testament to just how wonderful our school community is. I know you will treasure this yearbook and look back in years to come with very fond memories.

This yearbook would not be possible without the hard work and creative talent of Fiona Murdoch, Yearbook Adviser, and Peter LePage, Primary Yearbook Editor. My thanks go to them and also to Cynthia Barnes for the wonderful job she does documenting all of our school events and activities throughout the year.

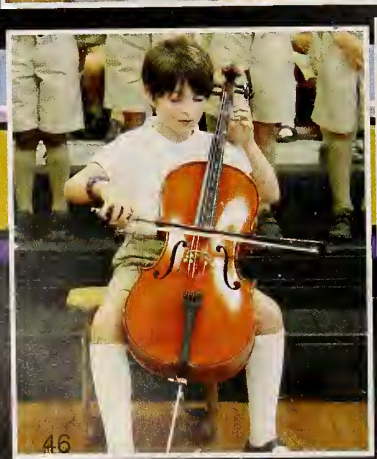
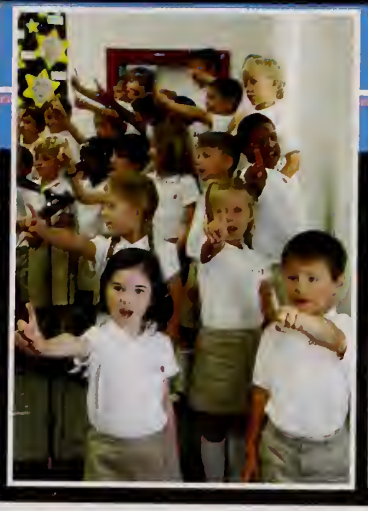
YEAR TWO





MOVING UP

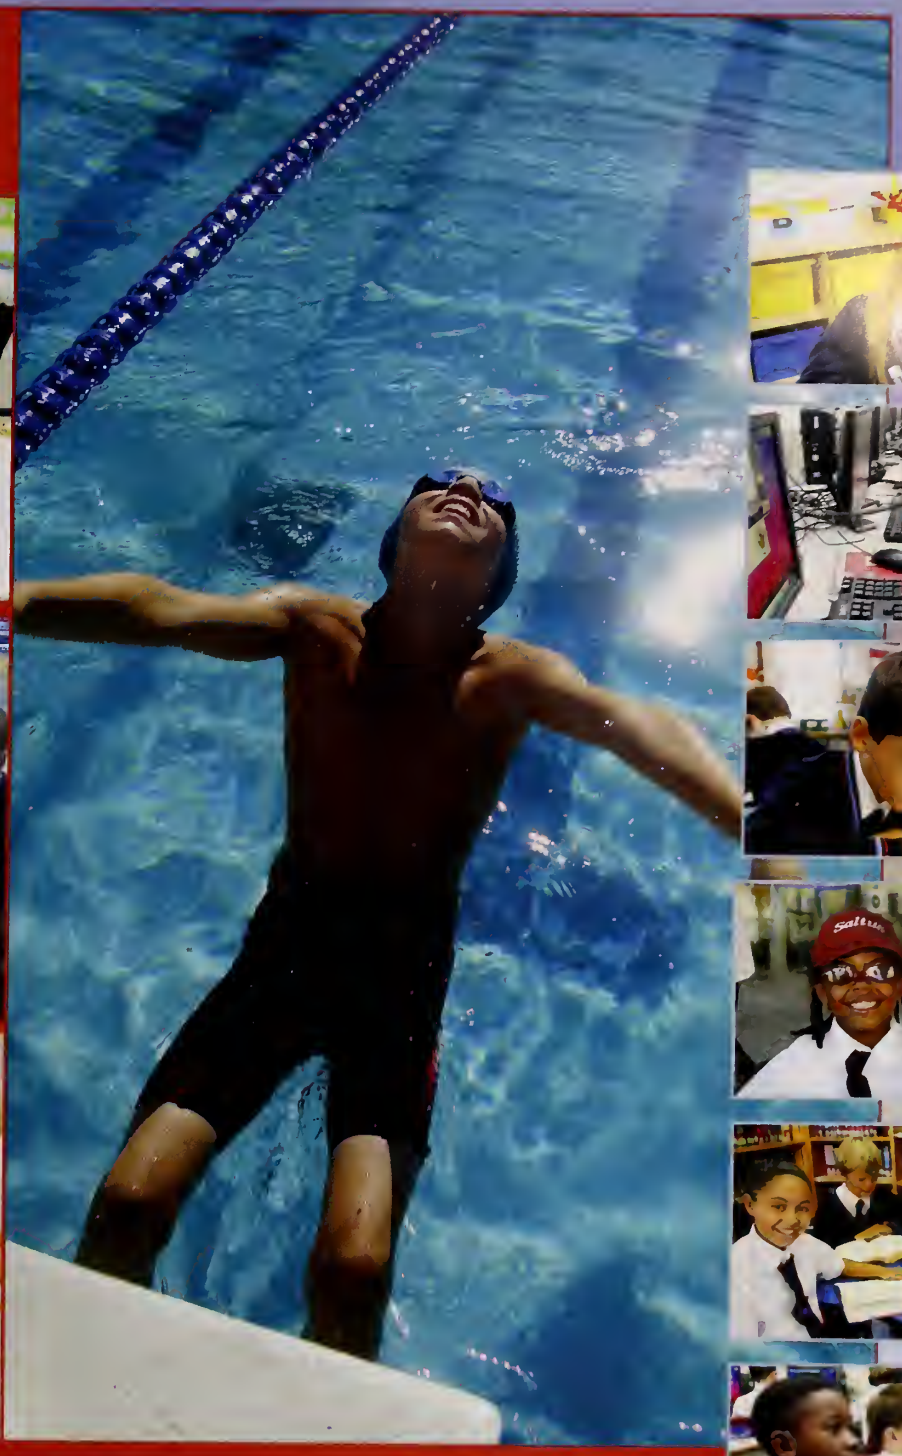
Farewell from Cavendish

We will be very sad to say goodbye to two of our Lower Primary Department teachers who will be leaving us at the end of this academic year: Katrina Kawaley-Lathan and Dan Guerrard.

Katrina has been teaching at Saltus for seven years and is also Saltus Alum. She initially joined the Saltus faculty on a one year substitute post after attaining her Graduate Diploma of Education (Primary) from Deakin University, and she joined the Primary Department as a full time Teacher the following academic year. Katrina has been a highly valued member of the Primary Department and has demonstrated an outstanding commitment to her professional development as a middle leader this academic year.

Dan has been with Saltus since August 2011 as Teacher of Music for the Primary Department. Although Dan spent most of his time with our younger students at Cavendish, he also taught piano to older students on the main campus. Dan brought a variety of musical skills to Saltus when he joined us, including experience with piano, keyboard, violin, cello, singing, choirs, brass, recorders, hand-bells, music technology, string ensembles and stage musicals. He has worked tirelessly with our youngest students at Cavendish to not only introduce them to music but instill an interest in music in them.

Please join me in thanking Katrina and Dan for their service to Saltus, and in wishing them all the best in their future endeavours!



Upper Primary Department

HEAD GIRL AND HEAD BOY PRIZE DAY SPEECHES 2014

HEAD GIRL - X'achela Robinson

My name is X'achela Robinson and I stand here before you not just to give a speech but to achieve a dream. Since my very 1st prize-giving in Year 3, I have sat in the audience where many of you now sit and listened to the speeches of prior Heads of School and always dreamed of giving a speech of my very own; so that I too, could have the honor of personally saying, "Thank You" to a school that has given me so much.

As the 2013-2014 Head Girl of Upper Primary, I wish to say that "Prize-Giving" is a special day because it is a day dedicated to saying "WELL DONE" for all that we as students and a school have achieved over the past year. For the S6 students it is perhaps a little more significant because today confirms that our time in Upper Primary is ending and that an exciting new adventure is soon to begin.

S6's you probably haven't given it much thought, but do you realize that when we started Foundation six years ago, we could barely read, spell, write, add, or subtract, let alone do any multiplication, or even tie our own shoes? And look at us now.

From Foundation to S6, we have mastered the basics and for that we should be extremely proud of ourselves!!!

NOW we get to say hello to Secondary School - a place that will introduce new learning experiences, like private lockers, rotating classrooms, new friends, new teachers, new subjects –and let's not forget, that AMAZING Tuck Shop!!!

I think that I can speak for all the Year 6's when I say we have experienced a lot over the precious years we have spent here in Upper Primary, such as going to St. George's to learn about the Sea Venture, celebrating the Queen's Diamond Jubilee and most recently the Washington Trip.

However, we cannot forget our traditional yearly school events, for instance in September, I remember holding up the "Welcome" sign for the P3's and seeing all their faces; some smiling and some a little scared. In October we had the Fall Craft Celebration, which is always a blast and usually signals to me that a nice Thanksgiving Dinner is just around the corner. The month of December was full of events starting with the Holiday Shopping Fair, which I must say was the best deal in town. After all where else can you get 6 gifts for under $10 dollars with change to spare!!! Then there was the amazing Christmas Production and Holiday Concert. I know we are just in Primary School, BUT I really think we could give "Broadway" and other big music shows a real run for their money!!! Finally in January, we had the Inter-house Soccer and Cross Country events. Congrats again to the winning houses.

Over the years we have also seen a lot of success. This year in particular has been a very successful year for everyone within our school community. We have seen students excel at the gymnastics nationals, at swimming finals, at the front street mile, math competition and during debates; or lots of our students getting highly commended on their Ag Show art entries, or in other local events. It has also been a very successful year for the school, like the fundraising of over $200,000 dollars for St. Baldrick's, and for different charities like the Red Cross and the St. Johns ambulance.

Before I hand over the Head Girl Badge to the new Head Girl, I want to say I am incredibly proud of our school and everything it has achieved. Saltus has a special X-factor that cannot be measured. It is welcoming, full of life and simply a pleasure to attend. We may not always take the top award, but no matter what, I believe Saltus' legacy is something that will never be erased, defeated or broken, because the true prize and measure of our school's success is in the hearts of every student, staff and family member sitting here today.

It is the shared effort of everyone, from the librarian, to the custodians, secretaries, all of our teachers and families that encourage us to do our best. Your kindness, caring and support is the reason that we have been able to blossom into the young people we are today. Being a Saltus student by itself, may not necessarily make your college application or job resume look any better, BUT the "passion for learning, independent thinking, commitment to excellence, personal integrity and service to others," stamped in our minds by the Saltus mission statement; and the tons of love that has been shown to us during our time here, will see us further in life than any one individual award presented today.

As the late Maya Angelou said:

"I have learned that, people will forget what you said, people will forget what you did, BUT people will never forget how you made them feel!!!"

Thank you for allowing me to spend time with you and I wish a happy and safe summer to you all...See you next year!

HEAD BOY - Jay Wagh

Ladies and gentleman, first of all, I would just like to give you all a very warm welcome to our end-of-year prize giving! Every year all the way back since 2011 (three years ago), I have sat on those exact benches and listened to the mind-blowing speeches of the head boys and girls, including deputies. I am incredibly glad that I am, now, the one to share with you the most phenomenal events and achievements in Saltus for the second half of the school year. Thank you so much, Mrs. Renaud and all other teachers for giving me this amazing opportunity!

Early in March, our 'Sports Day' took place filled with 200 enthusiastic and excited kids; it couldn't have been more enjoyable! In the end of it all, Darrell (the house I proudly stand in) won for the second straight year! Despite those who were injured or off the island, every single one of us participated – all of us had a ton of fun, no matter what place their house came in. I definitely appreciated that!

Although I didn't go on the terrific school trip to Washington DC, I heard that it was a busload of fun! Kindly, Mrs. Dowdell made a beautiful slide-show and a movie clip all about it; there were pictures of them playing laser-tag; visiting the White House; there was a video of them coming on their tour bus with ALL OF THEM holding at least three shopping bags – looks like they took a little stroll in Walmart! I bet most of you Year 5s are getting excited already, because there will be that and much more to enjoy!

A little less than two months later, the annual AG show took place at the Botanical Gardens. That whole 3-day weekend was action-packed because there was never once that I saw less than 1,000 people there! In assembly the next week, I couldn't believe my eyes when I learned how well Saltus had done after seeing nearly half the children in that

hall walk up to the front to receive their medal or ribbon (or even trophies)!

I must tell you that June which is the last month of the entire school year, has been the busiest. After the S.A.Ts, on the 11th, Year 6 had an 'Outward Bound' visit to Paget Island. The first word that I thought of when I saw what was there was, "WOW!!!" It was set up like a military training base; there were tightropes to walk on, a wobble board (everybody in the group climbs on it and they try to keep it level), climbing walls and another steep wall where you have to try to run up and reach the top. Even though we ran out of time so we were unable to do one of the activities, we definitely were satisfied with what we did and enjoyed it all throughout. Along with all that, our group's guide, Antoine, led us through a fort that was literally pitch black inside; I was afraid of the stairs! Fascinated, we encountered five of the largest cannons I have ever seen – two that were 38 tons! That's around the weight of maybe 10 elephants!

As I was in Canada last week, I sadly missed the Swim Gala and the Year 6 Variety show, but I heard that they were magnificent! The Variety Show contained a VARIETY of music, comedy dancing, gymnastics and plenty more, with a conclusion of the Cup Song!

After six fabulous years of living on this beautiful, wonderful island and being a student of Saltus, I will be moving to Chicago with my family next week .That makes this occasion mean ever so much more special to me.. Mrs. Charlemagne, Mrs. Renaud, my fellow students and all others, it has been such an honour and such a privilege to be your Head Boy of Upper Primary and I will always keep this memory even when I have to say, "Goodbye, Bermuda". I wish you all the very best and I would just like to let you know that I have been proud of Saltus

Grammar School every single second since I first walked through the doors of Cavendish, right from Day 1.

UPPER PRIMARY SPORTS REPORT 2013-2014

It was a very successful sporting year for the Saltus students and teams competing in interschool sports.

SWIMMING

BOYS A TEAM – 2ND BOYS B TEAM 2ND GIRLS B TEAM – 2ND

SOCCER

7 V 7 GIRLS – 2ND

The boys' league team narrowly missed advancing to the knock out semifinal. Marcus Scotland and Caleb McDowall were selected to the All Star team.

The girls' league team was undefeated for the year, defeating Elliot Primary in the final. Emily Hartwig (MVP) Koa Goodchild, Noah Autmezguine, Brianna Ray and Kathleen Brown were selected to the All Star team.

CROSS COUNTRY

UNDER 9 GIRLS – 2ND (ALVIA VENNING 12TH, SYDNEY FISCHER 13TH CIERRA RAY 15TH)

UNDER 9 BOYS – 5TH (RYAN McDOWEL 16TH , SEBASTIIAN KEMPE 25TH ,TRE BURGESS 26TH)

OVER 9 GIRLS – 1ST (KOA GOODCHILD 5TH , BRIANNA RAY 7TH , CARYS NOKES 20TH)

OVER 9 BOYS – 1ST (TOMMY MARSHALL 4TH , ALEX SOUTHERN 6TH , WILLIAM NOKES 12TH)

FRONT STREET MILE

Saltus had seven students qualify for the Front Street Mile. The school was represented by:

Boys – Evan Washington 4th, Trent Harris 5th, Alex Southern 6th, Tommy Marshall 7th, Sam Lipschutz 8th, Kodi Robinson 14th. Girls – Koa Goodchild 5th .

HERITAGE DAY

At the annual Heritage Day race Saltus was well represented with fourteen students participating. The top finishers were: Koa Goodchild 2nd 11-12 yrs; Tommy Marshall 3rd and Alex Southern 4th 8-10 yrs.

TAG RUGBY

Saltus had a very good performance at the inter-school primary tag rugby tournament.

Boys A 1st – Sudden death win over Warwick Academy

Boys B 1st – defeated Warwick Academy

Girls A 2nd – loss to Warwick Academy in final

FIELD HOCKEY

Saltus had a clean sweep at the interschool primary tag rugby tournament.

Boys – 1st Girls – 1st

Super 8s Cricket

Boys 2nd Girls – Semi finalist

CRICKET

The boys cricket had an even season with 2 wins (Warwick Academy & Gilbert Institute) and 2 losses (Paget & West Pembroke)

The girls cricket team played two matches with one win (Mount Saint Agnes) and one loss (East End).

TENNIS

At the primary school tennis tournament Saltus was first in both the boys (Jay Wagh / Lorenzo Durrant-Lucarini) and girls (Kathleen Brown / Morgan Rossiter)

TRACK AND FIELD

At the primary inter-schools track and field championships Saltus had eleven athletes qualify for the finals.

Cierra Ray (400m), Caroline Driscoll (Cricket Ball Throw), Koa Goodchild (100m, 200m, long jump 1st), Noah Autmezguine (Cricket ball Throw 1st), Brianna Ray (Randy Benjamin Mile), Robert Bart (Cricket Ball Throw) Cody Robinson (400m, 800m) Tommy Marshall (800m, Randy Benjamin Mile) Sam Webel (Long Jump), Tyrese Charves (Cricket Ball Throw 3rd), James Ives (Cricket Ball Throw 3rd)

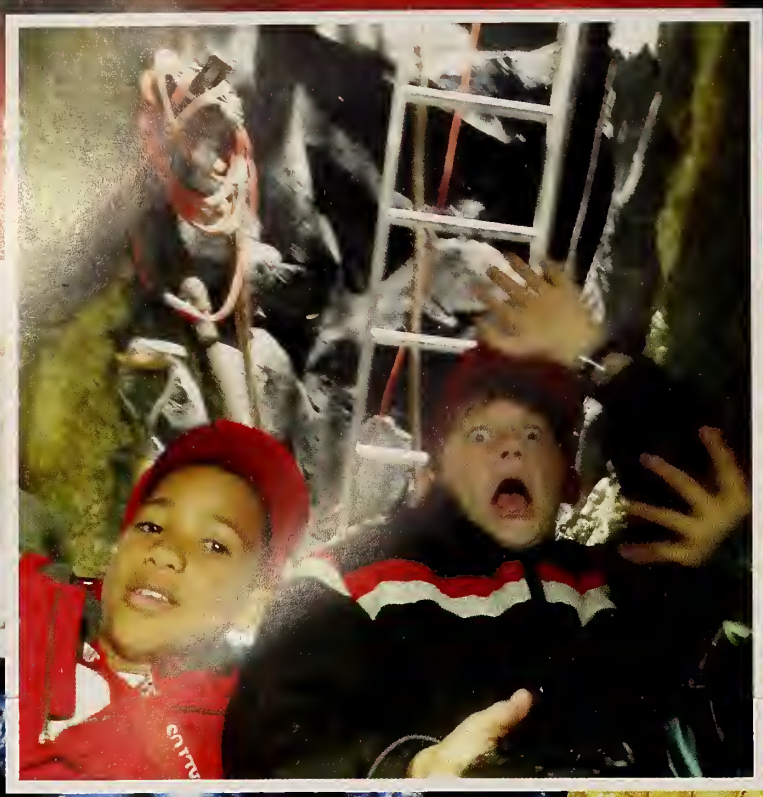
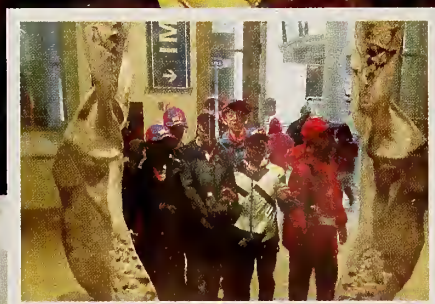
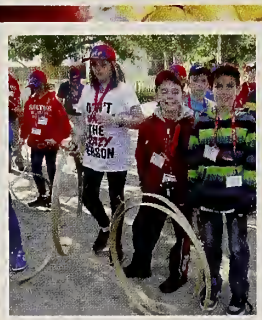
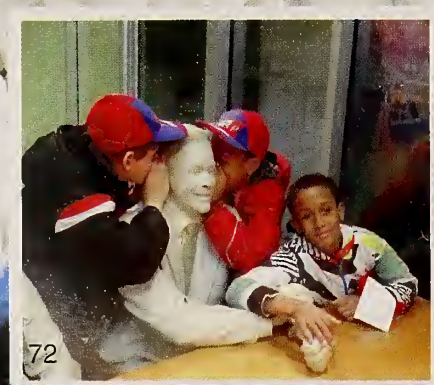
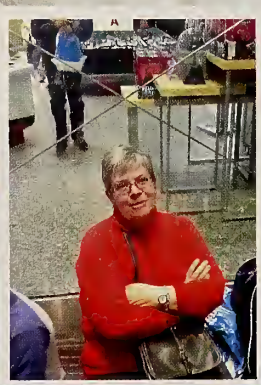
ST BALDRICK'S











At the start of the Spring break, 37 year 6 Saltus students left on an overseas trip to Washington D.C. and Virginia. The trip is organized every year as a way of making History come alive for the students. First, the students visit the many museums, monuments and the National zoo in Washington D.C. One student recalled the thrill of standing on the Lincoln Memorial steps in the exact spot where Dr. Martin Luther King Jr. gave his "I have a dream" speech. The students also travel to three key sites in Virginia: Jamestown, Yorktown and Williamsburg. This enables them make connections with Bermuda history lessons. The experience is enhanced by the living museums at these locations where students can see, hear, touch, smell and experience what life was like at the beginning of the 17th. and 18th. Centuries from the point of view of the settlers, indigenous and enslaved people. Students enjoyed some other fun activities, including laser tag and a trip to Wal-mart! As one student said, "I can't believe we managed to do so much in just five days!" Strange weather patterns this year meant we experienced Winter (snow), Spring (blue skies and cool breezes) and even summer (hot temperatures) during our five days.

For most of the students this is their first experience of traveling without family members and therefore provides another big learning experience as they take on responsibility for themselves and their belongings, but as one student said, she also had the opportunity to become closer to her friends. They can all recite the height of the Washington monument, the names of the Jamestown ships and could give you some very good reasons why they wouldn't want to visit the surgeon's tent with a concussion during the war of Independence! Perhaps the final compliment to the trip was from a 10 year old who said, "I thought I'd really miss my family, but I was so busy, I didn't have time!"

MUSIC REPORT

Ludwig van Beethoven once said, "To play a wrong note is insignificant, to play without passion is inexcusable." The students that have been involved in music this year certainly have passion and commitment to music. This is evident in the number of performances this year.

The year 5&6 Choir performed at Berkeley on November 22nd to help raise money for the Berkeley library. They were also invited to perform on the steps of City Hall for the annual Tree Lighting Ceremony at City Hall on Friday November 29th, 2013. The Wind Band and The Year 5&6 Choir participated in Carols for All on December 5th. The year 3 and 4 choir performed for the Bermuda Cablevision "Open Hand's Loving Hearts" food drive On December 7th. After all of this activity, the entire Upper Primary presented "A Pirates Christmas" on December 10th, 11th and 12th. The year 3 and 4 choir did one last performance at the Bank of Butterfield on December 13th.

The Baby Wind Band, which is the newest addition to our music department performed in the Upper Primary assembly on February 5th. The Orchestra, Choirs and Recorder Groups also performed for the Upper Primary Open House. This year we did performances in the music room. The Wind Band performed in several assemblies this year. They also performed for the Open Airways Event at City Hall on May 6th.

The Three Department Concert on May 29th was once again a success. The Wind Band, Upper Primary Choirs and the Orchestra represented the Upper Primary Department and all performed very well. The year 3&4 Choir performed at Christ Church for their Summer Fete on May 31st. The 5&6 Choir was asked to perform for the Rubber Duck Derby on June 1st but unfortunately the weather was poor and our performance was cancelled. The year 6's participated in a Variety Show this year on June 20th and delighted their peers with jokes, instrumental performances, gymnastics, dance, epic fails, movies and skits. They certainly did a great job entertaining the Upper Primary. Upper Primary students sang "Firework" for the parent volunteers during the last week of school. The Junior Orchestra was kept busy until the last week as they did a great job playing for Prize Day. The year 6's performed the song "The Best Day of My Life." The whole school did a great job singing, "Let It Go." Many of our students have taken practical and music theory exams this year and obtained great marks. It has also been a pleasure to have many of our students performing in assembly. As usual it has been a busy year but definitely well worth the effort. With the continued support of the staff, parents and students a love for music will continue to flourish at the Upper Primary Department.

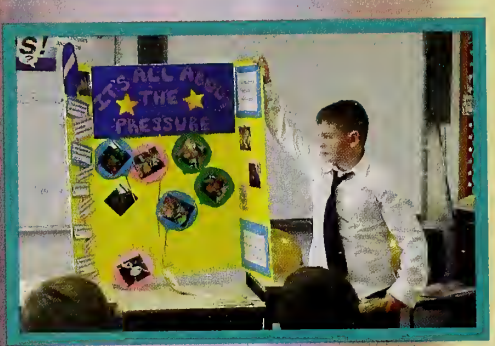
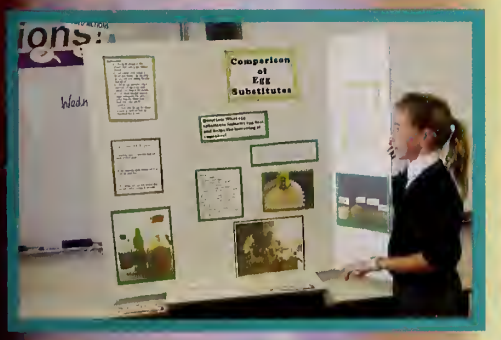
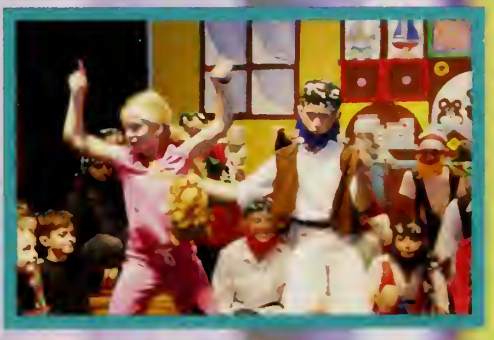
Miscellaneous Miscellaneous Miscellaneous Miscellaneous Miscellaneous



Miscellaneous Miscellaneous Miscellaneous Miscellaneous Miscellaneous





There are many who help the school throughout the year: and the Upper Primary Department would like to thank you all. Due to the sharing of digital photography there are an increasing number of contributors to the pictures you see in this section and I would like to thank them all for their expertise. A special thanks as always to Cynthia Barnes for her archival material. This will be my last full year as Junior School yearbook editor and as you can see from the two pictures below it hasn't aged me a bit.
Peter Le Page

AND WE SAY GOODBYE TO .....

Laurel Burgess has been with the school for the past 15 years and has held various posts at the school including: Science Laboratory Technician, Librarian and most recently as a classroom teacher in the Upper Primary department. During her time with us, Laurel has contributed extensively to the Saltus community, including: running the Year 6 student newspaper, being the lead for the recent very successful St Baldrick's fundraiser, leading the Renaissance reading program and helping in a myriad of Saltus activities.

Nichola Cunha has been with Saltus for eight years, and has been a Teacher in Years 4, 5 and 6. Nichola also took on the role of Mathematics Coordinator for a period of time during her tenure with Saltus, during which time she assisted with designing, establishing and monitoring the Mathematics curriculum from Year 2 to Year 6. She has also been a Year Coordinator and has contributed to the Saltus Community in a number of ways since joining us, including setting up a Saltus Community Service Club when she was in Year 6. We wish Nichola all the best in her future endeavours.

Angela Lyndsey has worked in the Primary Department in various capacities in since September 2006. She stepped into the role of Year 3 teacher on short notice in September and has been an invaluable asset to the Primary Department this academic year. Angela has a number of years' teaching experience at the Primary level at Saltus, and extensive experience of the UK National Curriculum, which has been a tremendous asset in her role.

Lynn Petty has been at Saltus for two years and has taught at both Lower and Upper Primary. She brought a wealth of experience to Saltus when she arrived, including experience as an English Language Teacher in Japan, teaching experience at both Key Stages 1 and 2 in the UK and experience as a Science Curriculum Manager and Assessment Coordinator. She has made a tremendous impact in both Lower and Upper Primary, especially this year in her role as Science subject leader.

KPMG Investment Challenge

Who will make the most?

Wall Street Warriors

"Opposed by meddlesome governments and industrial naysayers, we invested in a promising New Age; we invested in technology only beginning to exist. Our strategy involved researching the next "big thing", whether it be Sapphire glass or solar panelling, and discovering pertinent producers that boasted potential and profitability. The flaw: an unforeseen Tesla battery investigation that lost us 7.5% and an oil company that practically produced oil for free. Aside from that, the strategy worked brilliantly."

Final Position:

9th

Team members were: Christopher Simmons, Kyle Eve-Townsend, Daniel Oatley, Nicholas Pell, Samuel Cabot and Nathaniel Hartwig

Stock Chasers

"We invested in what we thought people would be interested in depending on the time of year. We also invested in things that we consume, such as sunglass companies, food and beverage companies, and also new technology, like 3D printers. By trying to think like a consumer, we thought that we would be successful."

Final Position:

13th

Team members were: Julia Lines, Samantha Hillen and Ellie Wollmann

DOLLARS FOR HOURS

Dollars for Hours is a programme that rewards the charitable work of students with money to the school. This year, students were tasked with packaging bluebird box kits (of which they packaged 76) and building and painting some 22 bluebird boxes. These boxes and kits were then given to the Bermuda Audubon Society to be sold, raising money for the society and creating homes for the Bermuda Bluebird. Students who took part represented the whole of the Saltus Secondary Department, with participants from nearly every year group. Due to the efforts of Saltus students, $30,000 was raised for the school.

"Being able to support the cause was a very rewarding experience."
– Samantha Hillen, SGY2

"A great experience to have worked with my fellow school mates, from many different year levels, and come together for an important purpose."
– Courtney Barbosa, SGY2

"Splattered with paint and surrounded by so many enthused Saltus students – a long, well spent day."
– William Finnerty, Head boy

"Being able to participate in such an important communal event and learning from such a new and beautiful community gave me great exposure to how willing Saltus is, and Bermuda as a whole is, to give back."
– Phil Ahl, SGY2

Youth Parliament

What is Youth Parliament?
Every Wednesday, Bermuda students, some from Saltus, meet to debate various topics at the House of Assembly. Those who attend give the youth of Bermuda a voice.

Public Speaking Trip

Members of the Saltus Public Speaking Team journeyed off to Country Day School in Toronto, Canada at the start of the 2013 school year, and left a word or two not forgotten. In a field of 156 students, including national champions from the US and Canada, Saltus pulled through to win the Overall Overseas competition. Liam Peniston and Ciara Burrows reached finals for their impromptu speeches, while Cathal Rynne reached finals for his dramatic interpretation through a monologue of "The Tell-Tale Heart", a short story by Edgar Allen Poe. Peniston and Burrows, this time with Mahir Wagh, won the top overseas award, leading the Saltus Public Speaking Team to be invited to Lithuania for the Worlds Public Speaking competition. This would be a well-deserved reward, as members of the team spent hours preparing for some of their speeches. To add to these accomplishments, Burrows then went on to win the Phil Hanson award for being most spirited and the Top Overseas Speaker Award.

A team that "far exceeded my expectations" - Christianna Hiles

Ve have been very fortunate at Saltus to have a number of our students chosen to represent Bermuda at he Pan American Debate Tournament which was hosted in Bermuda last July as well as being chosen to epresent the country when competing in the World Schools Debate Tournaments each year. This year oth Nicholas Pell and Ciara Burrows were selected as part of the 2014 team who travelled to the Czech epublic in July 2014. Miss Hiles, who has been coaching at Saltus and for Team Bermuda, for a number f years, is very proud of all of the accomplishments of all of the Saltus representatives this ear who have participated in everything from Youth Parliament to Public peaking (IISPSC) and National and International Debate.

Saltus Debate

Liam Peniston (left)

Some of those who participated in Debate this year

Back row: Liam Peniston, Mahir Wagh, Nicholas Pell
Middle row: Daniel Oatley, William Welch, William Campbell, Ciara Burrows
Front Row: Ms. Crofton, Sydney Steeves, Edward Moresco, Natlie Lightbourne, Sam Dickinson, Nalani Dowling, Miss Hiles

Mahir Wagh and Ciara Burrows

"Debating is a skill that provides a myriad of benefits. Not only does the practice of this skill increase students' ability to think on their feet and organize their thoughts cogently and clearly, but it also gives them the confidence to express themselves and their ideas. While winning is always the 'cherry on top,' simply creating and drafting after dinner speeches, cross examination cases or radio newscasts brings a sense of satisfaction to the students. Saltus has a long tradition of Debating in the World Schools Style, but we are now expanding and becoming a force to be reckoned with in the various public-speaking fields as well. While the School is only able to send six students to compete in the IISPSC, many more students are able to benefit from learning and practicing these skills within the extra-curricular context at Saltus."

- Christianna Hiles, Head of Debate and Public Speaking

Typhoon Haiyan Relief

Students, parents and staff had a Grub Day for typhoon victims in the Philippines and collected an amazing $10,000 to give to the Bermuda Red Cross for the International Red Cross relief effort there.

U16 Boys

This year's team followed on from last year's inaugural CAIS Soccer tournament. The team went one step better than last year by qualifying for the Gold group but eventually succumbed to the losing finalist in a hard fought 1-0 game. The Canada trip finally took its toll on the players as several of them returned home with injuries and this had a negative impact on our league form. However, they were able to make it to the semi-finals of the BSSF Knock-Out Cup where they eventually lost on penalties in a closely contested match. The boys red team also captured the silver medal in the BSSF Pre Season 6-a-Side tournament. All of the players should be commended for their efforts throughout the season.

Brent Burke,
Dylan Powell,
Conor White, K-Ci Smith

U16 Boys

The boys had a difficult season due to their inexperience at this level. However, they performed very well in every game no matter the score. They have made good progress this year as a team and this was highlighted by them making it to the Finals of the BSSF Knock-Out Cup were they unfortunately lost to Berkeley. This progress will stand them in good stead for next year for those returning and those moving up into the Varsity Team. A few members of this team also acquitted themselves very well during the CAIS tournament in Canada and all should be congratulated on their efforts this year.

TBALL

Sierra Fisher, Quaejah Cox, Okeema Benjamin, Demi Wright, Kennesha Nanette, Kathryn O'Connor, Eva Frazzoni, Raeesah Shakir, Kelsey White, Jadae Caisey, Zhanae Simmons, Zakiyah Durham, Victoria Davis, Savannah Fisher, Haley Sullivan

The girls had a challenging season with a 1-2-1 record and losing a close game in the semifinal of the KO Cup. The team improved with every training session and game. They are to be commended for their effort, team spirit, sportsmanship and commitment. The highlight of the season was their participation in the CAIS Tournament in Montreal, Canada where they were eliminated in the quarterfinals on penalty kicks.

Varsity Girls

Coach: Mr.Lewis

Middle Boys

Coach: Mr. Nusum

he O13's endured a tough season in a highly competitive ague. However, they are to be commended for their ommitment throughout the season. They played with emendous determination.

lateo Isaac, Andrew McDowall, Neil Figureido, Ashon art, Brandon O'Connor, Matteo Dill, Casey Truran, amson Douglas, Shirwin Jones, Jordan Swan, Tyler endall, Tristan Mullan, Leo Harris, Tyler Kelly, Erik redrick, Cameron Coffey

The Under 13 Team had a good season in a very competitive league. Their hard work paid off with a semifinal appearance in the KO Cup.

Zahn Richardson, Cameron Coffey, Jake Field, Jordan Clarke, Leo Harris, Jack Martin, Nicholas Martin, Declan McKittrick, Erik Fredrick, Samuel Dickinson, Finlay Turnbull, Marcos Furr, Peter Silvester, Owen DeCosta, Ryan Clements, Aaron Booth, Rudi Hammond, Sam Palmer

Z'ajae Lee, Zariah Simmons, Jordan Davies, Zekiah Lewis, LeiLanni Nesbeth, Haleigh Martin, Angelae Heath, Xe'Azjah Paynter, India Paynter, Tuesday Trimingham, Julianne Oatley, Emma Mayor, Lindsay Pacheco

The Middle School girls had another successful season this. In the League we played 6 games, winning 4 (v BHS, WA, CW and TNTatem) and losing two (Sandys 2-1 and Whitney 2-1). We were undefeated in the 6 asic tournament with 2 draws and 4 wins. We defeated Sandys in the final to defend last year's title.

Duke Of Edinburgh Bronze

Duke Of Edinburgh Silver

Congratulations to all students who took part in the Bronze and Silver Duke of Edinburgh programme last year. Saltus continues to have the highest uptake on the island, with 93% of S10 taking part and 55% of S11 taking part too. Students stayed on Port's Island and the S10s had a very memorable weekend as thunderstorms and heavy rain led to a 3am abandonment of tents to the dormitory block! Well done to everybody and make sure you get involved with this great programme whilst you're at Saltus.

Saltus Island Project

The Saltus Island Project is a conservation and environmental education initiative, developed in partnership between The Bermuda National Trust and Saltus Grammar School. Students from Year 9 continue to clear invasive and introduced species and plant both endemic and native trees.

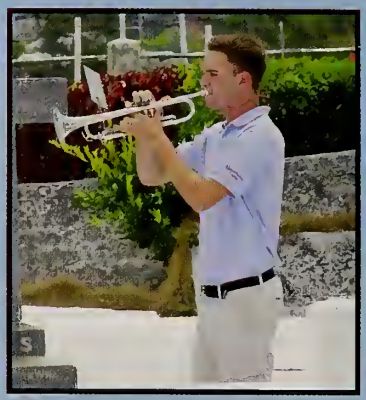
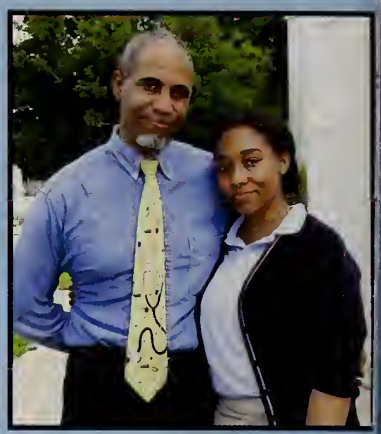
Founder's Day





Samuel Saltus – Our Founder

The Saltus name can be traced back to Samuel's great-great-great grandfather, Francis Saltus, who married Ann Payne, daughter of Bartholomew Payne in November 1639.

The Saltus family had been in Bermuda since the 1600's and Samuel, therefore was very much a true Bermudian and a lover of his island home. His home on Pitt's Bay Road, "Norwood", was named by him after his relative Richard Norwood, Bermuda's first map maker and surveyor.

The Bermuda Royal Gazette of January 27, 1880 records his passing in the following obituary:

"It is our painful duty to record the death of one who, for many years, has been a prominent member of this community and the personal friend of the editor of this "Gazette". On Thursday last, at about two o'clock, Samuel Saltus, Esquire, of "Norwood", breathed his last, calmly and without a pang his life well spent into the hands of his maker. The esteem in which he was held was attested by the large number that attended his funeral on Friday afternoon, when the last solemnities were performed in the Parish Churchyard, Pembroke, assisted by the Rector of Smiths and Hamilton... The subject of our notice was the youngest of a family of eight, six sons and two daughters, who have all predeceased him, and with him the family, identified with Bermuda from its early history becomes extinct....

Mr. Saltus was of slender stature, of a pleasing though somewhat reserved manner... (his) position in this community was one of marked trust and reliability. His opinion on – not only mercantile, but also political and other matters was held supreme from his calm and dispassionate judgment. In 1862 the Parish of Pembroke did itself the honour of electing him to the House of Assembly...

There are many who make more stir, and affect greater profession; but there are indeed few, who move on in the active world with the same solidity of character as did our late friend."

Student vs. Alumni Cricket

Fairwell to Staff

"Sometimes people come into your life for a moment, a day, or a lifetime. It matters not the time they spent with you but how they impacted your life in that time." -Unknown

Gregory Victor has been with us since September 2010 as a Teacher of Mathematics. He has maintained a Maths Club for four years for students to explore mathematical ideas further and he has participated in maths trips.

Cynthia Hassell has been with us since January 2006 as a Teacher of Mathematics, and previously also held the role of Year Coordinator at Saltus. Cynthia has helped run the Math Help club and she has been involved with planning maths trips, including the Year 8 Maths trip to Dockyard last year. Cynthia has also been a willing member of staff to assist the athletic department, and has helped with the Annual Athletic banquet.

Phillip Wakefield has been with us since August 2011 in the role of Teacher of English & Drama. Phill worked with Key Stage 3 students to produce radio broadcasts through his involvement with Shout-out, and he has also helped with the filming and editing for sports days and various music and dramatic productions.

Andrea Davis has been with us since August 2011 as Head of ICT. Andrea has been instrumental in setting up Edmodo for the S7 extended learning project and has actively encouraged her students to take ICT out of the classroom.

Jane Fulford has been with us since August 2011 in the role of Teacher of Modern Foreign Languages (French & Spanish). Jane was instrumental in successfully organizing two visits of Swedish students to Saltus during her time with us.

Jonathan Sykes has been with us since August 2012, and has held the roles of Teacher of Geography, Head of House and Year Coordinator. Jonathan's coaching of the Senior boys rugby team this academic year was very successful, and the team was undefeated during the season.

From the Adviser's Desk.....

This is my eighth year as Yearbook Adviser, and no year has been the same. Besides the many changes that have occurred over the course of these years at Saltus, the student experiences that we capture in this book remain constant. We hope that you will be reminded of all your wonderful achievements, the annual events and the particular memorable moments that this academic year of 2013-2014 have played host to. As you get older, we hope that returning to this book, especially the class of 2014, will bring back warm memories of Saltus and the times you spent with your friends and classmates experiencing the events we have chronicled.

Of course none of this could have happened without the help of my Upper Primary Editor, Peter LePage and my Secondary Student Editors Shanna Hollis, Amari Evans and Lorina Harvey. Peter has been at this longer than me, and I will be very sad to see him leave next year. I only hope his replacement will be as patient and kind with me as he has been. Peter, my sincere thanks to you for your many years of service. I wish you a happy retirement, wherever it may take you.

I particularly want to thank Lorina. She has quietly worked in the background, not making a fuss and has sacrificed her summer vacation to ensure that this book is completed to the highest standard.

And to the Secondary staff: Thomas, Alena, Jaylen, Rianna, Yasmin, Amy, Spencer, Nicole, Daniel, Kyle, Mackenzie; Welcome to the club! We hope you will stay and thank you for all your hard work!

Finally, to our lifesaver, Cynthia Barnes. Without you, this book would be very empty. Thank you for ensuring that every event is chronicled!

Congratulations to the Class of 2014, I hope all your dreams come true!

Fiona Murdoch
